The “Ulea Oak Collection”

An outstanding opportunity to own furniture to last a lifetime and enhance any property

OAK QUALITY

This is a solid OAK range. Oak is a very strong, tough wood, which gives this range great strength & resilience, making it ideal for rental or own use.

All the above furniture is designed to be a guide.

There are a large selection of other items available. You can change the lines as you wish.

GUARANTEE: Buying on-line or over the phone is difficult enough, we guarantee that we will not sell you anything that is not suitable for the job in hand. To this end, the more information you can give us the better we are able to help you correctly.

The individual price for the items in this pack is **€14,574**. We are very pleased to offer this pack for

sale at the incredible price of: **€7,768!**
